TERMS OF AGREEMENT

- d. All payments shall be made to the designated Company's account. Except otherwise agreed in writing, Purchasers on installment plans are required to make equal installment payments every month for the duration of the selected subscription period as per 2a above. The sum total of all installments paid at the end of the 6 month of the installment plan, must equal at least 60% of the value of the property being subscribed to. This however shall not be applicable to purchasers on the mortgage plan. In the event of a default on this payment plan, the Company reserves the sole discretion, without recourse to the Purchaser, to either reclassify the purchase under a new payment plan with revised terms, offer the property at the prevailing market price, or rescind the offer without any liability to the Company. In the instance of a rescindment, the Subscriber shall be entitled to a refund of any deposits paid to PWAN STARS, less a 25% administrative charge. Furthermore, the Company shall not be liable to refund the existing Purchaser until the Company has received funds corresponding in value to the amount to be refunded from a third-party purchaser of the unit. For avoidance of doubt, the Company shall not be obliged to procure a third party to acquire the Purchaser's interest in the unit.
- e. The Company shall not release title documents (including but not limited to the Deed of Assignment, Allocation Letter, or Survey Plan) or hand over keys to the unit(s) purchased until all financial obligations—specifically infrastructure levies and documentation fees—have been fully settled by the purchaser. The Company shall retain a lien on the property until all amounts due, including infrastructure levies and documentation fees, have been paid in full. The purchaser shall have no enforceable claim to ownership or right to possession until these payments are completed. In the event that the purchaser fails to pay the infrastructure levies and/or documentation fees within three (3) months of completing payment for the unit(s) purchased, or within one (1) month of full delivery of the unit—whichever comes first—except where otherwise agreed in writing, the Company shall have the right to rescind the transaction, repossess the property, and resell it to a third party. The infrastructure levy payable shall be based on the prevailing amount as at the time the payment notification is sent by the Company. Any amount paid by the purchaser shall be refunded after deducting administrative charges of 25%, in line with the Company's refund policy. The purchaser agrees that the completion of all statutory payments, including infrastructure levies and documentation fees, is a condition precedent to full ownership of the property. Default in making these payments shall constitute a breach of contract and trigger applicable remedies.

In the event of any such occurrence, the period of performance shall be extended for a duration equivalent to the period of delay caused by the force majeure event, and no damages or penalties shall be claimed by the Purchaser as a result of such delay.
- iii. The Company shall not be liable for any representation, undertaken, promise or assurance by any third party. The Company's liability shall be limited to the representation expressly stated in this Offer Letter, agreement or any document executed by the Company or its principal members.
